### Remember When.....

The eighth installment of the new section in the November newsletter called Remember When..... is located before the photo gallery section of the newsletter. This month covers the year 1957. We have completed working on a website repository for the published versions. See Website Newsletters Page and Remember When subpage.

### Website Updates

The latest on the signature show schedules and flyers are listed below. But there are other changes. The December West Plains Car Club newsletter is now available in the Newsletter page.

Our club newsletters are current through December. The membership list has been revised and has been published and emailed to the members in November. The list will be in the Member Only page in the Prior Membership Lists subpage, too. The list format has been revised slightly and now includes an updated alphabetical listing.

The membership list (both on-line and paper versions) have been synchronized so information should be identical in both. The members cars listed have been updated. However, if you see something that should be changed, let the editor know.

We have developed a website page that contains the work that Melinda has been generating with the Remember When... format. The subpage is now active under the Newsletters page. The page is current through December.

Four new Photo Albums have been added to the Photo Albums page for December. They include: Cruisin' the Coast, Fall Foliage Tour in Texarkana, Baptist Home in Ozark, Car Nuts at Bair's, Hot Rod Holiday, and the Club Ladies Luncheon.

No new videos have been added to Video Page.

New flyers this month include: Toys for Tots Car & Truck Show and Nixa Christmas Parade. Our first two flyers for

next year are in September, 2020, for the GMC Car & Truck Show on the 13<sup>th</sup> and the Hot Rod Holiday on the 21<sup>st</sup> and 22<sup>nd</sup>.

### Classic Chevy Club Meeting

The next meeting will be in April, 2020. The April meeting will be held on the 19th in the Auditorium at 2:00 pm.

### Hot Rod Holiday

From the event website:  
" Help us Celebrate a NEW holiday this season.... the Hot Rod Holiday!" And that is what we did.

MS Propane presented the 6th Annual Hot Rod Holiday, Springfield's Biggest Indoor Car, Truck, and Bike show presented by the Ozark Empire Fairgrounds, November 23 & 24, 2019. Load in and set up was on Friday, November 22.

Hot Rod Holiday took over ALL 75,000 sq. ft. of the INDOOR E-Plex buildings at the Ozark Empire Fairground's. They brought in the coolest customs from around the region, drag and stock cars, muscle cars, cool motorcycles, choppers and baggers and more horsepower than the walls could hold!

Club participants included the Fortner's, Owen's, Herndon's, Jones', Lollar, Taube's, Kruger, Bruffey's, Cox's, Davis, and Walters.

We moved in to the E-Plex on November 22. The club had spaces in the West Building on the South Side along with a table and banner. Wayne and Reta Bruffey had two cars in the show (the last two to be registered, by the way) and they were located in the center section of the E-Plex. Gene and Judy Herndon's car was shown on the East Side.

Jake Lollar showed his car with the club but did not attend the show.

Jake's alter-ego, Santa Jake, was busy the days of the event and was handing out candy canes in Branson.

There were members that did not show their car but attended the event. They were Chuck Veith, Bud Janes, Jess Tomlin, Gene & Barbara Putnam, Dennis & Mary Partlo, Carl Schmachtenberger, C.L. Carter, and Bobby Goss.

Dave Eslick was at the show as the event photographer. The club befriended a young lady from Newcastle, New South Wales, Australia, Rose Mary Merrett, who was in the market for a 1957 Chevy. There are a couple of pictures of her being interviewed by the media in front of Larry's 1957 Chevy 210 in the photo section below.

Footage from KOLR10 can be viewed with YouTube - <https://www.youtube.com/watch?v=ZS8u3qTGYSM>

Nile Jones wanted to let everyone who donated to the Bowerman Elementary School that they collected \$230.00. The school was able to buy 21 coats for the students in need. Nile passed along the school's staff's heart-felt appreciation to the car club.

Drawing and award ceremonies took place about an hour before closing on Sunday. Gene Herndon won a Sponsors Pick award from KOLR10 for his 1955 Oldsmobile.

Four club members were lucky enough to garner a prize from the show drawing. Gene Herndon won a \$50.00 gift card from Autozone and the Bruffey's won a candle from Reborn Company located here in Springfield. Reborn Company is a success story right here in SWMO. Website address is <https://rebornco.net>.

Walt Kruger and Dave Walters won a Hot Rod Holiday hat.

Larry, Jess, Walt, Dennis, and Melinda were instrumental in setting up area with a table, candy, flyers, and club banner. Larry and his crew set up the stanchions and plastic chain, which help protect our cars. The following link takes you to photographs taken during the event.

<https://www.news-leader.com/picture-gallery/entertainment/events/2019/11/24/faces-crowd-hot-rod-holiday-2019-photos/4275394002/>

Two new members decided to join the club after talking to some of our members. They are Charles and Roshelle Steg and Tony Blackurn.

#### Ladies Luncheon

Norma and Melinda got the word out about the Ladies Luncheon on November 16, when they will be celebrating birthdays for the months of October, November and December. They must have done a good job, as there were seventeen ladies in attendance.

The Luncheon was held at 11:30 am at the Relics Antique Mall Tea Room, 2015 Battlefield Rd. in Springfield.

The attendance list included Beverly Cox, Glenna Tomlin, Judy Herndon, Mary Partlo, Donna Meyer, Norma Taube & her sister, Mollie Carter, Robin Goss, Carol Jones, Kathy Schmachtenberger, Barbara Trosper, Jean Deason, Helen Fortner, Mary Kuhn, Melinda Owen, and Yvonna Davis.

The ladies had fun spelling words which had a first letter from the group of words Classic Chevy Club of Springfield Ladies Luncheon Tea. The winner was Mary Carter who went home with a cute car bag full of goodies.

*Thank you!*

A special thank you goes out to Melinda who orchestrated the luncheon arrangements.

Notes from the luncheon:

Charles Mahaffey is out of the hospital and in recuperating at home.

Walt Kruger has finished his chemo treatments. This Sunday, the 17<sup>th</sup>, some of the club members will support this accomplishment with him at Hardee's on Battlefield.

Jan Royster is now in care center on a permanent basis.

Cruise for Crosslines

<http://www.crosslines.org/our-story/>

The concept behind Crosslines originated when a small interdenominational group saw the need for churches to get involved with finding solutions to poverty. At the same time, the Council of Churches of the Ozarks was established with a mission to “serve God’s people in need” through a food pantry. This partnership has provided Crosslines with the strong

volunteer base needed to assist distressed families and individuals in the community with help with groceries and other necessary items. The Council of Churches has since expanded to support the community through a variety of services, and Crosslines has thrived in the partnership.

Crosslines opened on March 24, 1969 at the Locust and Lyon Community Center. In the beginning, five volunteers

allowed Crosslines to open its doors five days a week. Area churches, churches,” responsibility food, clothing, volunteers on

open its a week. Area called “fish accepted the to provide and a regular

basis. At the start, Crosslines volunteers served four or five families a day; in 1993 that number rose to about 73 families a day; now in 2016 Crosslines is serving approximately 100 families a day, five days a week. For 46 years, Crosslines has been providing emergency food assistance to families in Greene County and continues to expand the service footprint beyond pantry and into the community and area schools through the mobile distribution.

I asked Crosslines for statistical information about the show and I received this encouraging response from Jon Hallgren, program Coordinator.

“Hi Dave! Thanks for taking part in the event! The weather turned out beautiful! We had 60 cars registered with about 150 people. We also made \$ 1,286.00 towards toys for Crosslines this year. The 50/50 pot winner was so nice to donate his half back to Crosslines. This event really helps out since we need about 15,000 toys each year for our toy store at the fairgrounds. Thanks for everything!”

Texarkana Fall Foliage Tour (Melinda's Travelogue)

Attending the 2019 Fall Foliage Tour held in Texarkana, Arkansas, were Helen and Larry Fortner, Melinda and Jess Owen, Dennis and Norma Taube, Mary and Dennis Partlo and Jean and Dave Deason. The tour got off to a rocky start with a two-hour delay on Interstate 30 when we came to a two-hour standstill due to a fatality accident 10 miles ahead. This made us late for the museum tour/dinner Friday night but we still got there in time to have a great grilled burger.

Saturday morning, we headed out for the tour of the Gene Ponder private car collection housed in Marshall Texas. This was a once in a lifetime opportunity. Mr. Ponder asked that no pictures be taken for publication so I can only try to describe the amazing cars we viewed. There were Bugatti's, DelaHayes, Nash/Healeys, Testa-Rosa Ferrari, Lamborghini, many MG's and an assortment of motorcycles which included one made by Ferrari. Every vehicle is maintained in driving condition and all were in mint condition. One of the Bugatti's is 1 of 4 in existence and valued "in the millions" to quote the tour guide. In addition to the extensive car collection there was what can only be called the ultimate Man Cave on the second-floor balcony. We spent about an hour touring the collection. I was able to take a picture of the outside of one of the buildings which shows a replica of an old gas station.

After the car collection tour, we headed to Jefferson Texas for lunch and some sightseeing. The town is an old port town with lots of history. We all did what we do best, which is eat at a great barbeque restaurant. Afterward the men hung out on a street corner bench, while the women shopped for a while.

Saturday night we gathered for the annual gift exchange and fellowship. Sunday, we headed home, tired, but happy to have had the experience. It was a very worthwhile trip that I wish everyone could have experienced!

Christmas Lights and Parade at Silver Dollar City

Silver Dollar City is offering discounted tickets to their annual Christmas holiday experience. The discounts apply only on Thursdays from November 2 – December 30, 2019. Our plan is to see the lights and Christmas themed park on December 5, 2019. Tickets are \$47.00 each and are available at your nearby Price Cutter store at any time. We will congregate at Walmart in Ozark (Highway 14 at Highway 65) and leave for the park at 4:00 pm. We will eat dinner about 5:30 pm. There are shows, train rides, and 6.5 million lights and a new 8-Story tree to view. A parade will be featured, too. For more information, visit <https://www.silverdollarcity.com/theme-park> If you are interested in going, please call Mary and Dan Kuhn at 417.890.1944 or Yvonna Davis at 417.849.1475.

The park closes at 9:00 pm.

If we have the time, we can visit Jake Lollar (aka Santa Jake) for a group picture with Santa Jake in front of the huge wreath at the Grand Village in Branson—he will be there on the 5th from 11 to 5 pm.

## Remember When.....

*A fun romp through the decades as we approach our club's 45<sup>th</sup> anniversary in July 2020.*

### Highlights from 1957...

The 1957 Chevy is still regarded by many as the definitive '50s car. There were seven engine choices, including no fewer than five 283 v-8's with 185 up to 283 bhp. The last was courtesy of "Ramjet" fuel injection, a new option that found few takers among Chevy passenger-car buyers at \$500, but enabled the division to claim "1 hp per cu. in." Yet '57s were fast even without "fuelie" power. A Bel Air Sport Sedan with four-barrel 270-bhp engine could do 0-60 in 9.9 seconds, the quarter-mile in 17.5, and over 110 mph flat out. (Information adapted from *The Encyclopedia of American Cars.*)
