CHRISTMAS BANQUET

Well, the holidays are behind us. I hope everyone had a wonderful Holiday Season. Our Christmas Banquet was held December 11, with about 20 members attending. After dinner we all went to the Hitchin Post and had a very enjoyable evening. The Christmas Basket for our needy family was delivered by Wendell's sister after Greg, Marilyn, and Wendell couldn't find them home. Special thanks to Charlie Embree for his gift to this wonderful cause.

Christmas Parades Nixa & Marshfield

Well, early one Saturday morning on December 4th, several members braved the cold to attend Nixa's Christmas Parade. After the parade we all went by Myrtle St. John's Craft Shop and checked out all the crafts. Later that morning several went on to parade at Marshfield with the Sanders leading the way. Members attending these parades were Greg Sweet, Avery and Kevin Bradley, Bob Sanders, Claude and Lin Roderique, Wendell and Jan Royster. Also, Daryl St. John's 57 paraded along with us. Daryl drove a preschool float.

Ash Grove, Buffalo, and Walnut Grove Parades

We started at Ash Grove December 11th, with the following members parading. Avery Bradley, Greg Sweet, James Arnold and David Bush, also, Tim and Diana House, Charles and Theresa Long, and Allen Stanton. The House's and Long's joined the club later that morning at Averages where we went to warm up between parades. Next, we split up with Pappy and Allen Stanton going to Walnut Grove and Greg, Avery and Karen, and David Bush going to Buffalo. We enjoyed being able to attend all the parades.

North Town Mall Show

People this is our show. The Mall can handle up to 40 cars. We need everybody to at least make the effort to attend with your car. Don't be afraid to show an unfinished car. There are a lot of people who wish they just had one of the great classic cars. Also, several classic owners that are not in the club will see it doesn't take a show car to enjoy being a member in our club. They will see they can enjoy it as much as any of the members. O.K. enough preaching. The date is Saturday, February 26th, at the North Town Mall. Be there at 8:00 to 8:30 so we can get the cars in position. The mall opens at 10:00 A.M. and closes at 9:00 P.M. We will set up watches so members can shop or eat lunch and supper. Bring something to rope off your car or we will try to set a couple of people around the cars to protect them. The main point of this show is to build up membership and sell tickets on the club car. Remember the member selling the most tickets wins a one year membership. If at all possible please try to attend this event.

Club Car Update

A motion was made to paint the car trquoise and white to match the cowl tag. So be it. The car is at Vo-Tech. Most of the body work is done. Hopefully we can get it back before to much longer.

Small Note:

There's a lot going on for this time of year. Remember it's your club try to make it work. Also, at the meeting we will start on our July 4th Fun Run. A board meeting will be held regrading what we want to do. That's all I have for now.

See you at the meeting!
